TERRACE &  
OTHER FORMATS

## Terrace & Other Formats

**Terrace** - Alder Art Studios has its own 122m<sup>2</sup> terrace, completely uncovered, located on the 2nd floor of the building and with an elevator to it. It is ideal for cultural events, meetings, photographic sections and more.

**Other Formats** - Due to the versatility with which the spaces of Alder Art Studios are designed, it is possible to adapt them to all your needs and events.

For example, a wine bar in our patio on the floor 0 or a Bar on the floor -1, where you can make your presentations or business in a different way and in an excellent environment.
